STALLION DAY WILL ATTRACT MANY TO CITY ON MONDAY

One of the Largest Crowds Maysville Has Had on Stock Sales Day Is Expected For Monday—Fine Stock to Be Displayed.

One of the largest crowds of farmers and traders in Maysville since the re-establishment of the Mason County Stock Sales is expected in Maysville on Monday which is April County Court day and therefore stallion and Jack day.

It is always the case that show horse day attracts a great crowd and special interest will be attached to the show this year because farmers are said to be taking more interest in good animals in this district than they have for some time.

The County Stock Yards at the foot of Limestone street have been put in first class condition. Several changes and improvements have been made and it is more than likely that if there is not a great amount of stock on hand the show horses will be placed in the stock yards for exhibition although the farmers and breeders will be allowed to use the streets to show their beautiful animals.

As Monday is the beginning of Dress-Up Week in Maysville all who visit the city will be assured of great bargains and will be introduced to the latest in fashion in wearing apparel. That Monday is also the first day of the Barkoot carnival in Maysville, is also expected to draw many and help swell the crowd.

REVIVAL CONTINUES WITH MUCH SUCCESS

Rev. W. H. Morris preached a strong sermon on "Be Sure Your Sin Will Find You Out" Friday evening to a large audience. The sermon was very convincing and convicting. The singing under the leadership of Mr. G. N. Harding is of the revival type and much good is being accomplished by this series of meetings. It is expected that there will be great services on Sunday at the Forest Avenue church.

MISSIONARY PROGRAM IS GREATLY ENJOYED

The Missionary program rendered by the women of the First Presbyterian Church Friday evening was well attended and greatly enjoyed by all. A good contribution to the Missionary fund of the church was made. The little playette especially deserves mention.

REYNOLDS WILL OPERATE STEMMERY HERE THIS YEAR

R. J. Reynolds Tobacco Company Will Operate Tobacco Stemmy in This City That Will Give Employment to Many.

It has just become known that the R. J. Reynolds Tobacco Company, which has recently installed here a large re-drying plant, will also operate in this city this year a large tobacco stemmy that will give employment to some three or four hundred people. The plant is brought to Maysville through the efforts and influence of Mr. E. T. Kirk, one of our most progressive citizens who on more than one occasion has been found doing his dead level best for Maysville.

The stemmy will be operated in the Reynolds Company's building in Forest avenue but there will be considerable improvement made to the building to provide room for the added plant.

Some time ago it was announced that the American Tobacco Company would not operate its plant in this city this year and many people who heretofore were employed in this factory were thrown out on their plans for the summer. The Reynolds plant will give them employment, however, and the officials announce that good wages will be paid at all times.

GETTING LOT READY FOR BIG CARNIVAL

The lots in East Second street, Sixth ward, upon which the Barkoot Carnival will place its tents for the week, are being put in condition for the shows. The company will arrive here Sunday over the L. & N. from Lexington on their special train and will have their tents erected and everything ready for the show to begin in earnest on Monday evening.

SEVERAL CITY BILLS TOO LATE

Under the recent ruling of the City Council all bills against the city should have been presented to the Claims and Accounts committee at the Court House Friday. There were several who failed to remember this order and who presented their bills too late. All of these bills will have to lay over until the next meeting for consideration.

CHILD KILLED BY MULE

E. T. KIRK ELECTED PRESIDENT OF STATE NATIONAL TODAY

Charles D. Pearce Resigns and Mr. E. T. Kirk Becomes Head of Institution W. W. Ball, Jr., Elected First Vice President.

At a meeting of the directors of the State National Bank held Saturday morning Mr. Charles D. Pearce, of Louisville, who has been president of the State National Bank for many years, resigned on account of ill health and his many other business interests and Mr. E. T. Kirk, who has served as First Vice President of the institution for several years, was chosen to succeed him as head of the bank. Mr. Pearce also resigned as President of the State Trust Company and Mr. Kirk was elected to succeed him as head of that institution as well.

Other important changes were made in the officers of this popular and rapidly growing bank. Mr. W. W. Ball, Jr., who for some time has served the bank as Assistant Cashier, was elevated to the office of First Vice President succeeding Mr. Kirk and Mr. W. H. Rees, who for some years has been a member of the board of directors, was elected Second Vice President. Mr. Ball was also elected Vice President as well as Secretary and Treasurer of the State Trust Company and Mr. Rees was also made a Vice President of this institution. Together with Mr. H. C. Sharp, cashier of the bank, these men will constitute the officers of both concerns.

At present Mr. Pearce is at the head of the Louisville Ice Company. He is also head of the Maysville Water Company and has many other business interests which occupy the most of his attention. For some months he has been in ill health and desiring to be relieved of the burden of being the head of such a rapidly growing concern as the State National Bank, he decided to resign that office and let it be filled by a younger man who is on the ground and who understands the bank's workings perfectly.

No better selection could have been made by the directors than the one they made. Mr. Kirk is recognized as one of Maysville's most progressive and successful business men. As Vice President of the State National he has been the active manager of the bank for several years. He is progressive and yet conservative and the wonderful growth manifest in the bank's statements is in no small manner due to his business ability and progressive management.

The elevation of Mr. W. W. Ball, Jr., to the position of First Vice President is another mark of progress. As assistant cashier and Secretary of the State Trust Company, in full charge of all the trust business, Mr. Ball has demonstrated unusual banking abilities and has come to be recognized over the state of Kentucky as one of the most promising of the state's younger bankers.

The election of Mr. W. H. Rees as a Vice President is another progressive step. Having served as director of the bank and trust company for several years, he is in direct touch with the business and will make the directors a very valuable officer.

These men in new offices together with Cashier H. C. Sharp give the bank a corps of young men at the wheel of management and it is certain that the growth which has marked the life of the institution through the past five years will be continued and will gain momentum.

Mr. Pearce's resignation removes from the banking business in Maysville the last man who bears a name which has been prominently identified with Mason county's financial affairs for nearly a century. There has been hardly a time since the first bank in Maysville was chartered that there has not been a member of the Pearce family actively employed in a Maysville bank. He severs his active connection with Maysville banking with the best wishes of hundreds of friends made through his fair and honorable career. All his friends hope for him speedy and complete recovery of his health and that he will find many times in his busy life when he can run back home for a spell.

NEW BOARD OF TAX SUPERVISORS TO BE NAMED

Fiscal Court Authorizes County Judge to Appoint a New Tax Board to Increase Mason's Assessment.

The Mason County Commissioners today authorized County Judge H. P. Purnell to name a new board of tax supervisors to increase the county's tax assessment to the figures placed on us by the State Tax Commission. This was made necessary by the resignation of the Board originally appointed by Judge Purnell.

The original board refused to increase the assessment and resigned Friday afternoon. The matter was then left up to Judge Purnell and the State Tax Commissioners. Judge Purnell had the authority to appoint a new board that would increase the assessment to the required figures or the State Board announced that they would send men here to make a complete re-assessment and charge the expense of the assessment to Mason county. The commissioners have decided that the county had better appoint a new board than let the state make the re-assessment at the county's expense.

Judge Purnell hopes to find eight men in the county, one from each magisterial district, to serve on this board and if he is not able to find them he will select three men to do the work.

CHAS. C. PEARCE DEAD

Word was received here Friday afternoon that Mr. Charles C. Pearce had died at his home in Bloomington, Ill. Mr. Pearce was a son of E. E. Pearce of Flemingsburg. BLUE SKY LAW IS RECOMMENDED FOR STOCK SALESMEN

Business Men of Maysville Will Recommend Passage of State Blue Sky Law—Old Settlers Asked To Meet Here.

A very important meeting of the directors of the Maysville Chamber of Commerce was held Friday evening. The matter of fake stock salesmen operating in Maysville and Mason county and taking much money out of this territory was thoroughly discussed and some manner of curbing this operation was thought about considerably. It was at last decided to leave the matter in the hands of Judge H. P. Purnell, who was instructed to get into communication with other commercial organizations in the state in an effort to have the next General Assembly pass a Blue Sky Law prohibiting such stock salesmen from operating in Kentucky.

An invitation from the Old Settlers' Association of Mason, Lewis and Fleming county asking that Maysville business men join in making the annual re-union at Rogers Camp Ground on July Fourth this year a success was read. Inasmuch as Mason county plans a great celebration here on the Fourth for the returned soldiers, it was impossible for us to lend our support to the movement as all would like. Because of the great reunion of soldiers here on that date the Association was invited to hold their meeting in this city this year.

Meyer J. Cooper, Cincinnati builder, who proposes to build a number of houses in Maysville this year to be sold to Maysville people, was invited to come to Maysville in the near future to talk the matter over with the local business men.

REVIVAL BEGINS NEXT WEEK

A special revival service will begin at the Aberdeen Baptist Church next week. The pastor, Rev. Ben Miller, will be assisted by Dr. B. B. Bailey, pastor of the First Baptist church, of this city. It is expected that there will be a great revival and many Maysville Baptists will attend the series of meetings.

CALL FOR TOBACCO MEN IS ISSUED BY COHEN

Agriculture Commissioner Asks Those Interested in Tobacco Industry to Meet Him in Louisville For Discussion.

State Commissioner of Agriculture Mat S. Cohen has issued the following statement to the tobacco men of the state:

TO THOSE INTERESTED IN THE TOBACCO INDUSTRY:

At a meeting called in Lexington, Ky., March 28th, of this year, a tentative organization of the loose leaf tobacco warehouses of this Commonwealth was formed, and in order that not only those who are associated with the loose leaf tobacco warehouses, but all those who are interested in the planting and growing of the 1919 crop may be heard, relative to this organization, a meeting will be held in the Board of Trade Building, Third and Main streets, Louisville, Ky., at one o'clock p. m. Saturday, April 12th, 1919, and to which every farmer who contemplates growing tobacco this year and every one who is directly or indirectly interested in the loose leaf warehouses of this state, or directly or indirectly interested in the tobacco industry, is earnestly and cordially invited to attend this very important meeting, and join in the discussion as to the necessary course of procedure to prevent the planting of the contemplated acreage of tobacco in Kentucky this year, which, if carried out as contemplated, will undoubtedly result disastrously to those so engaged.

MAT S. COHEN, Commissioner of Agriculture.

CANADIAN HEROES WILL TOUR THIS DISTRICT IN DRIVE

Great War Veteran's Band, All Members of Dominion's Best, Coming In Fifth Loan Campaign.

Some of Canada's best-loved heroes will work for the Victory Loan in this district. They are members of the Great War Veteran's Band which has been secured for a tour of the district which will begin April 14th.

There are more than thirty pieces in the band and every player has seen service on the other side—with the weapons of war as well as with the instruments of a band. Many of the musicians were in that little army of Canadians who fought so valiantly at Ypres early in the war. All of them have been wounded one way or another, some so seriously that they are forced to use artificial means to hold their instruments while they play.

A few days will see the routing of the band ready to announce.

This band was the first band which Canada sent over to France. Some of the players smuggled their instruments over there, so intent were they on having some music on the other side in the days before the Canadian War Department recognized the necessity of music for the fighting men.

Announcements will soon be made of other bands which are to be sent out over the district. They will probably be bands from the Yanks force which have just arrived home.

NEWSPAPER MEN TO GET WAR MEDAL

M. H. Laundon, director of publicity of the Central Liberty Loan Committee, announces that the newspaper men, of this district, who have done much to put the various Liberty Loans over successfully, will be officially cited for service in the war and each will be awarded a War Service medal.

COUNCIL MEETS MONDAY

The regular monthly meeting of the City Council will be held at the Council Chamber Monday evening. So far as is known there is nothing of an unusual nature to come before the city dads and it is expected the session will be very short as many will want to take in the big carnival on the first night.

KENTUCKY MARE FOALS TRIPLETS—MOTHERS EIGHT COLTS IN FOUR BIRTHS

Paris, Ky.—W. B. Crouch, of North Middletown, Bourbon county, has a Percheron mare with a record unequalled in the world in the opinion of many Kentucky horsemen.

At four births the mare has produced eight colts and a few days ago she gave birth to triplets, a feat which Bourbon county horsemen say has never been heard of in the horse world. Twice before she gave birth to twins and on another occasion was the mother of one colt.

A recent statement made by the War Department shows that during the war 67,948 animals were sent across the sea. This huge number included 5,489 cavalry horses, 33,396 draft horses and 29,063 mules of all description. Out of this great number of animals only 600 were lost in transit.

EVIDENCE THAT CONVINCES

A Twice-Told Tale That Will Carry Conviction to Ledger Readers.

Fourteen years ago, Mrs. Burns publicly endorsed Doan's Kidney Pills. She then told of benefit she had received. With unshaken confidence, she confirms her statement. Tells how passing years have strengthened her faith in Doan's. There's no better test than the test of time.

Can any Maysville reader ask for more convincing evidence? Mrs. John Burns, West Second Street, says: "I was subject to severe spells of backache and kidney trouble. They would come every three or six months and were times when I was confined to bed and rendered helpless. I used Doan's Kidney Pills and the quick and decided benefit I received from Doan's Kidney Pills was wonderful. I have never had such severe backache since."

NO TROUBLE SINCE. On November 15, 1916, Mrs. Burns said: "I have the same good word of praise for Doan's Kidney Pills today as ever. I have not needed a kidney medicine since I first took them. Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burns had. Foster-McBride Co., Buffalo, N. Y."

MILLIONS OF PEOPLE

The season at hand is made even more significant by the return of our boys after a glorious victory "over there." They have laid down the gun and the sword is sheathed, and in the hearts of American people a new hero is born of the victory which they achieved in a cause that is right and just. The time is here when our boys can lay off the somber khaki they loved so well, to don a new garment in which they, like the springtime, return to use bearing a message of happiness of life true to Nature as it returns to us at this season in all its splendor.

We at home should greet these boys with an appearance that is in keeping with the scheme of things in which we find this stage so beautifully set. Dress-up week should appeal to every liberty-loving American. Every heart that beats to the tune of life and health and liberty cannot turn a deaf ear to the call of the season that is at hand.

"NOBODY CARES FOR ME" The old hen sat in a leafless tree and said: "Nobody cares for me. My food is what I find about. I hunt for it till I'm frazzled out. My owner says I do not pay, and that I ought to sing and lay. I wish he had to sit out here and live on pickin's all the year. I'll be a half a cent, by jine, he wouldn't lay from now till Spring."

TERRIBLY SWOLLEN Suffering Described As Torture Relieved by Black-Draught.

Rossville, Ga.—Mrs. Kate Lee Able, of this place, writes: "My husband is an engineer, and once while lifting, he injured himself with a piece of heavy machinery, across the abdomen. He was so sore he could not bear to press on himself at all, on chest or abdomen. He weighed 165 lbs., and fell off until he weighed 110 lbs., in two weeks."

He became constipated and it looked like he would die. We had three different doctors, yet with all their medicine, his bowels failed to act. He would turn up a ten-cent bottle of castor oil, and drink it two or three days in succession. He did this yet without result. We became desperate, he suffered so. He was swollen terribly. He told me his suffering could only be described as torture.

I sent and bought Theodor's Black-Draught. I made him take a big dose, and when it began to act he fainted, he was in such misery, but he got relief and began to mend at once. He got well, and we both feel he owes his life to Theodor's Black-Draught."

DRESS-UP WEEK IS NEAR FOR STORES IN THIS CITY

Retail Clothiers and Furnishers Invite All People of Mason County to Join in Big Event.

Maysville will play an important part in the National Dress-Up Week, April 5 to 13. The retail clothiers and furnishers of the city will look upon this coming event with real importance, and rightly so, since the Maysville public is invited to participate in a movement that is nationwide.

It may be said in truth that during the dress-up week the whole of this good old nation will be a stage and all of us Americans will be the actors in a style show. And before there has been a dress-up week as full of significance as this one will be.

Springtime and Easter always suggest life anew, and flowers and pretty things. It is Nature risen in all its glory, and here our thoughts are in whole accord with the idea of dress-up week; to discard the old attire and put on the new, just as Nature is reborn in the new garb and beautiful to behold.

The season at hand is made even more significant by the return of our boys after a glorious victory "over there." They have laid down the gun and the sword is sheathed, and in the hearts of American people a new hero is born of the victory which they achieved in a cause that is right and just. When Others Must Wait!

Long party-line conversations hamper telephone service by making others sharing the line to wait. —they must wait to send calls; —they must wait to receive calls; —has this ever occurred to you? Because other must wait is a very good reason why party-line subscribers should observe the five-minute limit for local calls.

Co-operation between subscribers keeps party-lines open for both incoming and outgoing service.

DEMOCRATIC SLATE THINNING OUT, REPORT

Dr. Cherry Will Get Out of Race Lexington Report Says—Judge Carroll May Also Drop in Contest.

The Lexington Herald says: The withdrawal of Dr. H. H. Cherry, of Bowling Green, from the race for the Democratic nomination for Governor, in favor of Thomas S. Rhea, of Russellville, who announced Thursday, may be expected within two weeks, according to a Frankfort Democrat in Lexington Friday. It is understood that the efforts of Selden R. Glenn, campaign manager for Dr. Cherry, to induce Colonel H. H. Denhardt, also of Bowling Green, not to enter the race were unsuccessful, and that the officer, who recently returned from France, will make the fight for the nomination against Rhea, although both are adherents of the Beckham-Haly wing of the party.

It is also rumored here that Judge John D. Carroll, of the Court of Appeals, who announced some time ago, will also withdraw, and that only Lieutenant Governor James D. Black, Tom Rhea and Colonel Denhardt will be left in the race. Colonel George Smith, of Beattyville, who has notified friends that he will seek the nomination when he returns from the service, is still in France, as is Major Sam Wilson, of Lexington, whose friends have been feeling the pulse of prominent Democrats of the State in regard to the support he may expect if he enters the race.

The daily Bible readings published in the Public Ledger during Lent, upon which there has been much favorable comment, are selected by Rev. A. F. Stahl, pastor of the Christian church.

Lieut. Arthur S. Chapin, just recently released from the U. S. Army, an expert on poultry from the State Experiment Station, Lexington, is in Maysville today in the interest of pure bred poultry. Mr. Chapin says the fame of Mason county as the home of pure bred Reds is spreading all over the state and that he is hearing many good things from this county.

This afternoon Lieut. Chapin will speak to ladies and children at the Chamber of Commerce on Standardization of Rhode Island Reds; the importance of hatching early; selection of eggs for hatching and culling the flock for vigor.

Mr. Chapin has had much experience in handling chickens and knows the business to perfection. His address will prove well worth hearing. It was hoped that he could stay over for a meeting this evening but he was compelled to go back to Lexington this afternoon.

RUSSIAN FLEET IS ORDERED AGAINST ALLIES

Trotsky Threatens to Have Crews Killed If They Refuse to Obey His Orders—Serious Clash Is Feared.

London, April 5.—Leon Trotsky, the Bolshevik minister of war and marine, has ordered the Russian Baltic fleet to put to sea and attack the Allies, threatening to have all the crews shot if they disobey the order, says the Mail.

Important development on the Murmansk front in Northern Russia may be expected in a few days owing to a threatened defection of Finnish troops, according to the Mail. It is said that it was to meet this danger that American detachments were sent on two American cruisers, which will reach Murmansk early next week.

President Wilson is reported to have ordered the sailors of the two cruisers to land with the troops, if necessary. British relief forces have gone on board of two especially constructed ice-breaker transports, with which they expect to get through the ice two weeks earlier than they could on any other vessel.

SUNDAY SCHOOL LESSON

International Sunday School Lesson For April 6, 1919.

Topic: "God Our Heavenly Father," Matthew 6:21-34.

REV. J. J. DICKEY.

Fatherhood implies care for children.

A child in a happy home with a rich father never fears starvation or worries about food or raiment.

God tells his children not to worry about such things.

"Like as a father pitieth his children that so the Lord pitieth them, fear him." The child says "This house is mine." Why? "Because it belongs to my father."

The child claims all that is his father's. In this he is justified by the relationships between them. God teaches his children that all that he has is theirs. This is wonderful. Men do not realize it. Yet it is true. And more than that God proposes to act the part of a wise father and distribute his wealth to them as they need, he being the Judge. Children do not always see things as the father see them. They often want things that the father knows is not best for them, and the children murmur and complain and accuse father of being stingy and unsympathetic. God has the same trouble with his children. All of the real trouble men have grows out of their unwillingness for God to have his way with them. In other words it grows out of a lack of faith in the Father who says "All things work together for good to them that love God."

Fatherhood implies authority. Children are expected to obey their parents. The relationship demands it. When the father issues a command the child has no right to refuse obedience. It is his duty to obey. So God's children must ask no questions when the Father speaks but say, "Whatsoever thou commandest that will we do." Disobedient children are never happy. Disobedience breeds discontent. When God's children go astray by disobedience trouble invariably ensues. Men cannot be happy who are out of harmony with God. Happiness comes through a sympathetic and harmonious affiliation with God.

When the Christian man finds himself out of harmony with God the remedy is to be found in prayer for God's spirit to so operate upon his nature that he will be able to say, "Not my will but thine be done." This is possible. This plan has been tested by millions and found to work well. We may know about God by reading the Bible, we can only know God by communion with Him through prayer. Men know each other by intercourse, fellowship, communion, thus we know God.

The Christian must not even for a moment lose sight of the fact that God is his father. To do so is to lose the sentiment and power which grips men to God. It is all right to think of God as Creator, Preserver and Redeemer, but in this we must not forget He is our Father, with all that that relation means. Christ came to reveal the Father to us. In his life and teaching He showed all the tenderness and care that the Father could feel. In this way "he showed us the Father."

All of God's dealings with his children are to be interpreted through His fatherhood. Christians are not slaves, they are sons and daughters and God expects them to trust Him as a loving, faithful Father.

It is worry that makes men unhappy. "Worry wears worse than work." It plows furrows in the cheeks, turns the hair grey, takes the luster out of the eye and the smile from the face, and all of this because men do not trust God as little children trust their earthly father. If God clothes the grass and feeds the sparrows surely He will clothe and feed us. "O ye of little faith."

BIBLE READING

There are some so-called Christians who seem to think there is nothing for them to do but to accept God's blessings. The true Christian however, is ready to serve. To spread the glad news of salvation is the important thing. Read Luke 19:1-20 and the Great Commission Matt. 28:16-20. Husbands and wives, fathers and mothers will find a special lesson for themselves in the Sunday daily reading. 1 Peter 3:12. 1 John 2:12-17.

OPPORTUNITY OFFERED TO ASSIST SUFFERING

State Director of Jewish Relief Campaign Assures District Chairman Merz of Hearty Co-operation.

District Chairman A. L. Merz of the American Jewish Relief Campaign received a communication from State Director C. W. Morris, Saturday assuring him of the desire of the State office in cooperating for a successful campaign in his district and enclosed a copy of a cablegram sent by Cleveland H. Dodge of New York to President Wilson in Paris, in which he states, "The appropriation asked of Congress for handling food relief is not intended in any way to take the place of the subscription being asked for relief and rehabilitation in the near East. I hope that this subscription will not in any way be interrupted or reduced. The need is immediate and very great."

This statement is equally true of the Jewish War Sufferers and every citizen of Mason county should appreciate the opportunity to assist these war stricken sufferers at this time when they are greatly in need of help.
